UNIMED Projects & Activities

**Shaping the Mediterranean from Cooperation to Integration: UNIMED members and partner institutions gathered in Amman last June 22&23, 2022**

165 participants from 19 countries joined the UNIMED General Assembly held last June 22&23, 2022 in Amman, hosted by the University of Jordan.

“Cooperation has proved, time and time again, to be a fundamental factor in shaping our future. This is as true for the European Union as it is for the rest of the world, and UNIMED is an integral part of this work.” With these words, Mariya Gabriel, Member of the European Commission started her message addressed to the participants.

**Trainings and living labs in the area of food safety at the Universities of Barcelona and Evora**

In the framework of the FoSaMed project trainings and living labs took place at the University of Barcelona and of Evora involving teachers coming from the four Moroccan partner institutions to exchange their teaching and learning methodologies and upgrade their technical skills through on-site lessons and lab activities with EU colleagues.
The MIGRANTS project: the 1st summer school in Granada and the job shadowing across Andalusia

The Summer School “Connecting coasts, crossing borders. Current trends in migration research and methodological challenges” brought together more than 30 experts from the project partners and 19 doctoral students from 11 different universities in Europe and North Africa. Following the summer school, a three-day job shadowing took place across Andalusia, in the cities of Malaga, Motril and Granada, organised by COSPE and the University of Granada.

Interviews

The importance of accessing education: former refugee, current President of the 3rd largest public University in the Kurdistan Region of Iraq.

Professor Dawood Sulaiman Atrushi has shared with us an important testimonial about his experience as a former refugee in Norway, leaving Kurdistan when he was a University student.

Youth, entrepreneurship and environmental sustainability. The awarded idea of the Start Cup Competition 2022

Yasmina Halaby, Norma Saba and Marilyn Kanaan are the winning team’s students of the Third Edition of the Start Cup Competition. Interview by L’Orient Le Jour.
Next Calls & Opportunities

**Open Call / Euro-Mediterranean co-creation residency programme (in memory of David Sassoli)  deadline September 2nd, 2022**

2022 is the European Year of Youth: Europe calls on young people to become active citizens and actors of positive change. Foundation Matera-Basilicata 2019 wants to invite young creatives, from Europe and the Mediterranean area, to work with local communities of Basilicata, investigating a new idea of Europe shaped around those principles and which embraces the Mediterranean area as a key place to shape the future.
