Dear UNICA Members,

I am leaving the position of UNICA Secretary General, March 2020.

Almost 2 decades of my professional life, I have worked for UNICA with great enthusiasm and engagement. It gave me the unique opportunity to meet and work with inspiring colleagues, sharing common values.

In particular, I am very grateful to all the members I teamed up with at the UNICA office. It was an honour to serve the network of the leading Universities from the Capital Cities of Europe.

Kris Defoene-Heere
Jimmy Hendry Nzally joined the Unica Office in March. He is a PhD Researcher in Political Science at Vrije Universiteit Brussel and will be supporting the UNICA project management.

Welcome to the Network Jimmy!
