the Seven Leadership Secrets You Must Know to Succeed in 2023.

Wednesday, 25th January 2023

6.00 P.M.

in Amphitheatre B108, Anastasios G. Leventis Building University Campus.

Speaker: *Heinz Kaegi*

About the lecture:

In this lecture the cosmopolitan Heinz introduces us to the architecture of challenges & chances in the context of leadership, from an intercontinental perspective based on his vast experience.

Heinz takes us on a journey through the decades from the past to the future. He makes us aware of how we can inspire our visions and make our dreams come true – and how we prevent them. We recognize our individual challenges and chances as executives to lead our people and our companies from the future perspective.

We gain insight into his globally unique LEX Leaders Excellence-for-Life™ concept to discovering and pursuing one's own path of purpose authentically – even in turbulent times, and with sustainable success and a high quality of Life. Heinz shares inspiring examples of the relevant qualities that distinct the exceptional leader from the rest of the crowd. The insights offered will touch our sense of responsibility to make our own World an even better place to grow at. Ultimately, to leave a legacy that creates a future for our children in an economy of heart.

The leadership lecture is about 45', at the end of which Heinz will offer 3 personalized today-only-benefits for the participants.

The lecture is followed by a Q&A segment of about 15'.

Heinz will be available for individual questions at the subsequent cocktail reception.
